

Follow The Yellow Brick Road: The Journey Back Home

A vibrant, stylized illustration of a yellow brick road winding through a lush green landscape with rolling hills and a large, multi-colored rainbow arching over a futuristic, crystalline city in the background. The scene is bright and colorful, with a clear blue sky and a rainbow that spans across the top half of the image. The city in the background is composed of tall, thin, green and purple spires and structures, giving it a futuristic or otherworldly appearance. The yellow brick road is the central focus, leading the viewer's eye from the foreground towards the city.
