WHAT CAN I DO WHEN I KNOW SOMEONE WHO IS A VICTIM OF DOMESTIC VIOLENCE?

- Listen to the victim and believe them.
- Tell them they are not alone and that help is available.
- Let them know that without intervention, abuse often escalates in frequency and severity over time.
- Seek expert assistance. Suggesting that they merely return home places them and their children in real danger.
- Hold the abuser accountable. Don't minimize the abusive behavior. Support them in seeking specialized batterers counseling to help change their behavior. Continue to hold them accountable and to support and protect the victim even after they have begun a counseling program.
- If reconciliation is to occur, it can be considered only after the above steps have taken place.

Domestic Violence Assessment: Assessing Risk to the Woman Interviewing Women

Preparation and Considerations

Always interview the woman alone. Sometimes interviewing a battered woman separately from her batterer can be difficult, but be creative. If you are unable to talk with her alone, it is a sign of danger.

Build rapport.

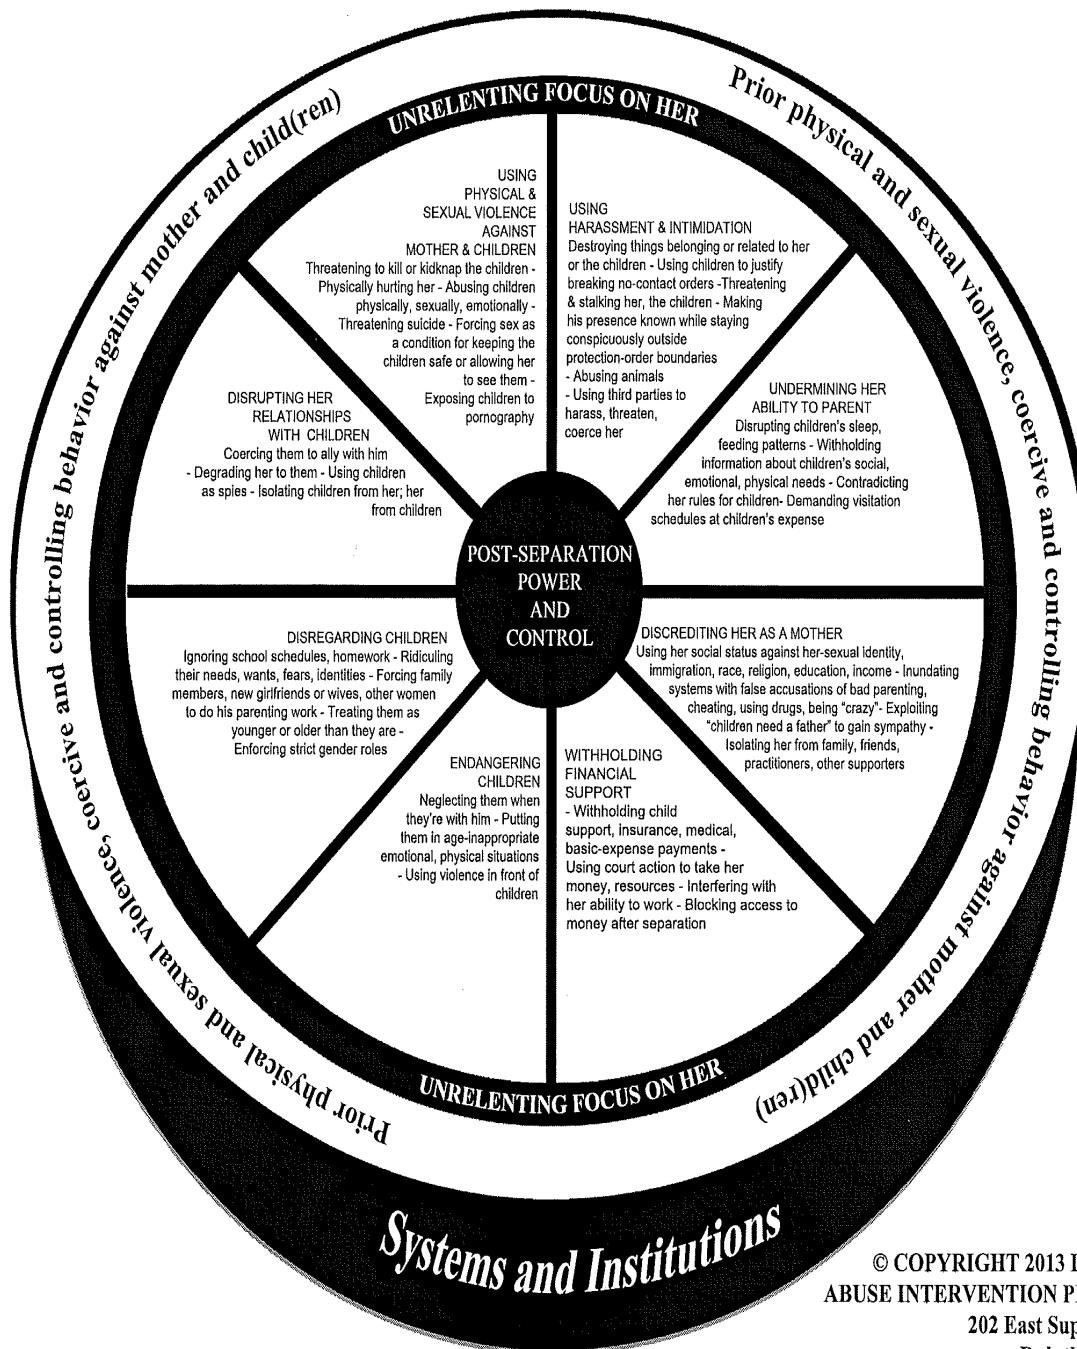

Assure her that you are concerned about her safety as well as her children's safety.

Assure her that you will not confront her batterer with information that she has provided to you, but explain the limits of confidentiality.

Her answers may lead her to start thinking about how to help herself and her children. The information may save her life.

PERSONALIZED SAFETY PLANS

The following steps represent my plan for increasing my safety and preparing in advance for the possibility of further violence. Although I do not have control over my partner's violence, I do have a choice about how to respond to him/her and how to best get my children and myself to safety.

Safety During A Violent Incident

1. If I decide to leave, I will _____.
(Practice how to get out safely. What doors, windows, elevators, stairwells, or fire escapes would I use?)
2. I can keep my purse and car keys ready and put them (place) _____ in
order to leave quickly
3. I can tell _____ about the violence and request they call the police if they
hear suspicious noises coming from my house.
4. I can teach my children how to use the telephone to contact the police and the fire department.
(Be careful about placing responsibility on children.)
5. I will use _____ as my code word with my children or my family and friends
so they can call for help.
6. If I have to leave my home, I will go _____

(Decide this even if I don't think there will be a next time.)

If I cannot go to the location above then I can go to _____ or _____.

7. I can also teach some of these strategies to some/all of my children.
8. When I expect we are going to have an argument, I will try to move to a space that is lowest risk, such as _____. (Try to avoid arguments in the bathroom, garage, kitchens, near weapons, or in rooms without access to an outside door.)
9. I will use my judgment and intuition. If the situation is very serious, I can give my partner what he/she wants
to calm him/her down. I have to protect myself until I/we are out of danger.

Safety When Preparing To Leave

1. I will leave/place these items at _____ or with _____
____ so that if we have to leave in a hurry I can grab them quickly.

Money Extra keys (car/house) Extra set of clothing (for yourself and your children)

Important documents and items (or copies of same available) ie Bank account numbers, Birth certificates, Social Security numbers, Driver's license, List of Important telephone numbers, Important financial records (title to car/rent receipts), and Prescription information

2. I will keep open an individual savings account by (date) _____, to increase my independence.

3. I can keep change or a prepaid phone card for phone calls on me at all times. (I understand that if I use my calling card/credit card, the following month the telephone bill will tell my batterer those numbers that I called after I left)
4. I will check with _____ and _____ to see who would be able to let me stay with them or lend me some money.
5. I will sit down and review my safety plan every _____. (No less than 6 weeks) in order to plan the safest way to leave the residence.

_____ (Caseworker/Friend) has agreed to help me review this plan.

Safety In My Own Residence

Safety measures I can use include: changing the locks on my doors and windows, replacing wooden doors with steel/metal doors, installing security systems, purchasing rope ladders to be used for escape from second floor windows, and installing an outside lighting system that lights up when a person is coming close to my house.

1. I will teach my children how to use the telephone to make a collect call to me and to _____ (friend/minister/other) in the event that my partner takes the children.
2. I will tell people who take care of my children (school, day care staff, baby-sitter, Sunday school teacher) which people have permission to pick up my children and that my partner is not permitted to do so. (Some will require a court order.)
3. I can inform _____ (neighbor), _____ (pastor),
and _____ (friend) that my partner no longer resides with me and they should call the police if he/she is observed near my residence.

Safety That Includes A Protective Order

I will provide copies of my Protective Order to police/sheriff's departments in the community where I work, in those communities where I usually visit family or friends, and in the community where I live. I recognize that I may need to ask the police and the courts to enforce your Protective Order.

1. I will keep my Protective Order (probation orders or other such legal documents) _____.
(Always keep it on or near my person. If I change purses, that is the first thing that should go in.)
2. The telephone number for the district clerk and local law enforcement agency is _____.
(The District Clerk should contact all law enforcement agencies in my area. I should follow up and check to see if they need a certified copy of the order for enforcement.)
3. I will inform my employer, my minister, my closest friend, _____, and _____ that I have a Protective Order in effect. (Maybe give them copies, too.)

Safety On The Job & In Public

Each battered woman must decide if and when she will tell other that her partner has battered her and that she may be at continued risk. I can use a different bank; grocery stores and shopping malls to conduct business and shop at hours that are different than those when residing with my batterer are helpful. I will always remember

1. I can inform my boss, the security supervisor, and _____, at work of my situation.
2. I can ask _____ to help screen my telephone calls at work.
3. When leaving work, I can _____.
4. When driving home, if problems occur, I can _____.
5. If I use public transit, I can _____.

Safety & Emotional Health

The experience of being battered and verbally degraded by partners is usually exhausting and emotionally draining. The process of building a new live for myself takes MUCH COURAGE AND INCREDIBLE ENERGY.

To conserve my emotional energy and resources and to avoid hard emotional times, I can try to use “I can ...” statement with myself and to be assertive with others. I can also do some of the following:

1. If I feel down and ready to return to a potentially abusive situation, I can _____
_____.
2. When I have to communicate with my partner in person or by telephone, I can _____
_____.
3. I can tell myself – “ _____” – whenever I feel other are trying to control me.
4. I can read _____ to help me feel stronger.
5. I can call _____, _____, and _____ as other resources to be of support to me.
6. Other things I can do to help me feel stronger are _____, _____
_____, and _____.
7. I can take care of myself by _____.
8. I can attend workshops and supports groups at _____ or
_____ to gain support and strengthen my relationships with other people.

PLANES DE SEGURIDAD PERSONALIZADOS

Los siguientes pasos representan mi plan para incrementar mi seguridad y prepararme por adelantado para la posibilidad de violencia futura. Aunque no tengo control sobre la violencia de mi pareja, Puedo elejir como responder y como resguardar mi seguridad y la de mis niños de la mejor manera.

Seguridad Durante Un Incidente Violento

1. Si decido irme, Yo _____.
(Practique como salirse con seguridad. ¿Que puertas, ventanas, elevadores, escaleras, o escapes de fuego usaría?)
2. Puedo tener mi bolsa y llaves listas y ponerlas en (lugar) _____ para salir rápido
3. Puedo decirle a _____ sobre la violencia y pedirles que llamen a la policía si oyen ruidos sospechosos venir de mi casa.
4. Puedo enseñarles a mis hijos como usar el teléfono para contactar a la policía y a los bomberos.
(Tenga cuidado al darle responsabilidades a un niño.)
5. Usaré _____ como mi palabra clave con mis hijos o mi familia y amigos para que busquen ayuda.
6. Si tengo que salir de casa, me voy a _____

(Decida esto aunque piense que no habrá una proxima vez.)

Si no puedo ir a ese lugar entonces puedo ir a _____ o _____.

7. También puedo enseñarles algunas de estas estrategias a algunos/todos mis hijos.
8. Cuando crea que vamos a tener una discusión, trataré de moverme a un lugar que sea bajo de riesgo, como _____. (Trate de evitar discusiones en el baño, garaje, cocina, cerca de armas, o en cuartos sin acceso a una puerta hacia fuera.)
9. Usaré mi juicio e intuición. Si la situación es muy seria, Le puedo dar a mi pareja lo que quiera para calmarla. Tengo que protejerme hasta que esté fuera de peligro.

Seguridad Cuando Se Prepare Para Irse

1. Voy a dejar/poner estas cosas en _____ o con _____ para que si tengo que salir de prisa las pueda tomar rápidamente.

ÍDinero ÍLlaves extra (carro/casa)

ÍExtra cambio de ropa (para usted y sus hijos)

ÍObjetos y documentos importantes (o copias) ie Números de cuenta de banco, Certificados de nacimiento, Números de Seguro Social, Licencia, Lista de teléfonos importantes, papeles financieros importantes (título del carro/ recibos de la renta) e información de prescripciones médicas

2. Mantendré abierta una cuenta de ahorros individual para (fecha) _____, para aumentar mi independencia.

3. Puedo guardar cambio o una tarjeta telefónica prepagada para llamar a cualquier hora. (entiendo que si uso mi tarjeta de llamadas/credito, el recibo de teléfono del siguiente mes le dirá a mi abusador que números llamé después de irme)
4. Voy a checar con _____ y _____ para ver quiénes podrían dejarme quedar o prestarme dinero.
5. Me voy a sentar a revisar mi plan de seguridad cada _____. (No menos de 6 semanas) para planear la forma más segura de salir de la residencia.

_____ (Trabajadora de casos/Amiga) está de acuerdo en ayudarme a revisar este plan.

Seguridad En Mi Residencia

Las medidas de seguridad que puedo usar incluyen: cambiar las cerraduras de puertas y ventanas, reemplazar las puertas de madera con puertas de metal, instalar sistemas de seguridad, comprar escaleras de lazo que puedan usarse para escapar por las ventanas del segundo piso, e instalar afuera un sistema de alumbrado automático que se prenda cuando alguien se acerca.

1. Le enseñaré a mis hijos como usar el teléfono para llamarme por cobrar o llamar a _____ (amiga/ministro/otro) en caso de que mi pareja se los lleve.
2. Le diré a la gente que cuida a mis hijos (escuela, guardería, niñera, maestra de escuela dominical) que personas tienen permiso de recoger a mis hijos y que mi pareja no lo tiene. (Algunos requieren una orden de la corte.)
3. Puedo informar a _____ (vecino), _____ (pastor),
y _____ (amiga) que mi pareja ya no vive conmigo y que deben llamar a la policía si lo (la) observan cerca de mi residencia.

Seguridad Que Incluye Una Orden de Protección

Le daré copias de mi Orden de Protección a la policía/departamento del alguacil en la comunidad donde trabajo, en las comunidades donde usualmente visito a mi familia o amigos y en la comunidad donde vivo. Reconozco que puedo necesitar pedirle a la policía y a las cortes que ejecuten la Orden de Protección.

Seguridad en el Trabajo & En Público

Cada mujer maltratada debe decidir si y cuando le dirá a otros que su pareja la ha maltratado y que puede estar en riesgo continuo. Puedo usar un banco diferente; y hacer mis compras en centros comerciales y tiendas distintas y con otros horarios que no sean los que usaba cuando residía con mi maltratador. Siempre recordaré

1. Puedo informarle a mi jefe, al supervisor de seguridad, y a _____, en el trabajo sobre mi situación.

Seguridad & Salud Emocional

La experiencia de ser maltratada y degradada verbalmente por la pareja es usualmente agotadora y emocionalmente desgastante. El proceso de construir una nueva vida para mí requiere de MUCHO VALOR Y UNA ENERGIA INCREIBLE.

Para conservar mi energía emocional y recursos y para evitar tiempos difíciles en cuanto a lo emocional, puedo tratar de usar declaraciones con “Yo puedo ...” conmigo misma y ser asertiva con otros. También puedo hacer los siguientes:
