

NEW! 309th Attorney Fee Voucher Policy – May 1, 2017

As of May 1, 2017, the 309th Family Court will no longer accept e-filed attorney vouchers. Please begin filing paper versions of the attorney vouchers no later than May 1, 2017. You may begin submitting the paper vouchers immediately, but be aware of the fact that the district clerks in my court have been notified to not accept e-filed vouchers beginning May 1.

In order to avoid any duplication or confusion, DO NOT e-file and submit a paper version for filing. If you do so, your payments and those of others will be delayed in processing of payment.

Thank You,

Judge Dean
