Comprehensive trauma training for the courtroom

FREE TRAINING FOR TEXAS JUDGES AND ATTORNEYS (15 HOURS OF CLE & FAMILY VIOLENCE CJE CREDIT)

TLC is now offering a webinar Legal Professional Trauma Training course. The first portion of the course will include an overview of the impact trauma has on children and the effect responses have on children's recovery and case outcomes. The second portion will focus on how to advocate for children who have experienced trauma in our child welfare and juvenile justice systems and ways legal professionals can transform the system to one that is trauma-informed. Former foster youth will participate in the training to share their experiences. After the training, ongoing coaching and support will be provided through TLC's Online Center.
