MOTION TO MODIFY PROTECTIVE ORDER

TO THE HONORABLE JUDGE OF SAID COURT:

NOW COMES the ☐ Respondent, ☐ Applicant, or ☐ Person filing on the Applicant's behalf, pursuant to Section 87.001, Family Code, and files this Motion to Modify the Protective Order entered in the above-referenced cause.

In support of said motion, the ☐ Respondent, ☐ Applicant, or ☐ Person filing on the Applicant's behalf asserts the following:

1. The following happened after the Court issued the Protective Order:

2. The requested modification(s) will not place person(s) protected by the Protective Order at greater risk because:

(If the modification will increase contact between protected person(s) and the Respondent, or allow the Respondent to reside with protected person(s), you must explain why the risk is not greater, that is, what safety measures or precautions will be taken and why the modification is needed. Attach additional sheet if needed.)

3. Other assertion:

The ☐ Respondent, ☐ Applicant, or ☐ Person filing on the Applicant's behalf requests the Court to modify the Final Protective Order by excluding the following from the Order:

Exclude No. 1

Exclude No. 2

Exclude No. 3

The ☐ Respondent, ☐ Applicant, or ☐ Person filing on the Applicant's behalf requests the Court to modify the Final Protective Order by including the following:

Include No. 1

Include No. 2

Include No. 3

WHEREFORE, PREMISES CONSIDERED, the ☐ Respondent, ☐ Applicant, or ☐ Person filing on the Applicant's behalf requests the court set a hearing on the Motion to Modify the Protective Order and notice be sent as provided by law to the Respondent. The Movant also prays that after the hearing, the Court grant the motion and modify the Protective Order as requested.
